The road maintenance and rehabilitation is contemplated to include a combination of milling, crack sealing, overlay and/or full depth reclamation, replacement of deteriorated curbing, resetting or installation of new catch basin tops, traffic markings including line striping, stop bars and arrows, installation of signal loops for traffic signals, loaming and seeding of the disturbed areas, and related work and improvements. The appropriation may be spent for design, acquisition, installation and construction costs, equipment, materials, construction management, site improvements, environmental remediation including disposal of waste materials, easement acquisition, engineering fees, design and bidding services, testing and inspection costs, traffic control, legal fees, net interest on borrowings and other financing costs, and other expenses related to the project or its financing. Following consultation as applicable with the Mayor of the City of Groton and the President of the Groton Long Point Association, the Town Council shall determine the scope and particulars of the project and may reduce or modify the scope of the project, and the entire appropriation may be expended on the project as so modified or reduced.

Section 2. That the Town issue bonds or notes, in an amount not to exceed ELEVEN MILLION TWO HUNDRED THOUSAND DOLLARS (\$11,200,000) to finance the appropriation for the project.

Section 3. That the Town issue and renew temporary notes from time to time in anticipation of the receipt of the proceeds from the sale of the bonds or notes for the project. The amount of the notes outstanding at any time shall not exceed ELEVEN MILLION TWO HUNDRED THOUSAND

The Town Manager and the Director of Finance are authorized to amend such declaration of official intent as they deem necessary or advisable and to bind the Town pursuant to such representations and covenants as they deem necessary or advisable in order to maintain the continued exemption from federal income taxation of interest on the bonds or notes authorized by this ordinance if issued on a tax-exempt basis, including covenants to pay rebates of investment earnings to the United States in future years.
